# Equality objectives statement

**Learning today for all our tomorrows in our caring, Christian community.**

## **Our equality objectives are:**

- To promote spiritual, moral, social and cultural development through all appropriate curricular and extra-curricular opportunities. We aim to meet this objective with particular reference to issues of equality and diversity.
- To reduce prejudice and increase understanding of equality through direct teaching across the curriculum.
- To narrow the gap between boys' and girls' attainment in writing in the primary phase (Y1 – Y6).
- To promote cultural development and understanding through a rich range of experience, inside school through the teaching of RE, PHSE and organising school trips to enhance the pupils understanding of other cultures.
- To ensure that children who are eligible for the Pupil Premium Grant make accelerated progress through additional high quality tuition and have the opportunity to develop their creative skills during and after school hours.
