

Pine Class - Spring Term 1

The Body

Welcome back to Spring Term! We hope you had a lovely Christmas break.

Our topic in Pine this half term is The Body. We will be looking at how the human body works and identifying parts of it. We will be discussing healthy eating and the importance of nutrition. In Design and Technology, we will be preparing and evaluating fruit kebab. The children will have the chance to try different fruits. As part of our history lessons the children will be comparing their childhood to that of their parents/carers. We are hoping to look at the similarities between the children and their parents when they were children.

PE will now be on a Friday for the whole school. Pine and Acorn hope to reintroduce Welly Wednesday! We will let you know more details when we can.

Children should continue to read at home as much as possible. They should also be using TT Rockstar's to practice timetables. A certificate is given to the child in each year group with the most progress every week. If you are having trouble accessing your child's Rockstars account, please let me know.

Reminders

- Earrings will need to be removed for PE on Fridays.
- Please can children not bring in items from home such as toys, sunglasses and jewellery. These items are not needed at school and it causes distress when they are lost.
- Could children please bring a drink every day. Ideally this should be water.
- As the weather is getting colder could children bring a coat everyday to school. We do not like to let them out without one!
- Please book dinners through the School Money app and be reminded that we are a nut free school.

Thank you and we look forward to an exciting and productive half term!
