

## TIL - Dengie LSB – Declaration of Business Interests

From September 2016, it is now a requirement that trustees and governing boards publish on their website a register of interests for each of their board members. They must declare any interest they have, or plans they, their spouse, partner or close family members might have, that are related to or might be construed as being related to the school, academy or trust and its budget.

These include (but are not limited to):

- relevant business interests
- governance roles in other educational institutions
- any material interests arising from relationships between board members or relationships between board members and school staff

Name	Role	Appointed By	Date of Appointment	Business Declaration	Nature of Interest	Additional Information	Family Declaration
